ENGG1330: Group Project Submission Guidelines

By Nov 16

Submit the following item to Moodle:

- Submit as online text
  - Group identity (Group No., names of members)
  - A public link to the trailer (< 1 min)
  - A public link to the demo/technical video (< 5 min)
- Submit as file submissions
  - A *.zip file comprising all Python source and local assets required to run the game, including `README`, acknowledgements and `ai_use.md`
